INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, D.C. 20231

Sir:

The Applicant, through its representatives and attorneys, hereby brings to the attention of the Examiner the eight (8) documents identified on the accompanying Form PTO-1449. Copies are provided. This will certify that each of these documents was cited in connection with the prosecution of a corresponding foreign application not more than three months prior to this submission. This submission is also timely in that it is made prior to the first action on the merits of the application.

Specifically, the cited documents were noted in the European search report of June 28, 2001 in connection with a corresponding European patent application. Because some foreign language documents are provided, a copy of the Search Report is also enclosed for the convenience of the Examiner to present an indication of relevance according to the European examiner. In addition, a copy of the Annex to the European Search Report is

PATENT APPLICATION

provided; unfortunately, no English-language patent family members are indicated for the French patent cited in Category X.

Please take these documents into account in the initial examination of this application and make their consideration of record, along with the information in the background of the invention at pages 1 to 4 of the specification as filed.

Respectfully submitted,

Dated: August 21, 2001
